### Description ( [revised](#) )

Seller assumes all responsibility for listing this item.

### New Folder for your Windows XP desktop!

Genuine new folder for Windows XP - I have created this folder but don't really need it - so I'm selling it now. It has never been used and still carries it's default name. There will be no shipping cost as I will send this folder via e-mail to the winner.

Good luck!

I still offer the free shipping, but I will actually send the folder through Royal Mail on a CD as eBay does not allow to send goods electronically - sorry for the change.
